In the fall of '48, three bashful boys, timidly but eagerly, entered the doors of Thorp High School. The Freshmen class roll was as follows, Fay Florey, Ethan Audus, and Allen Warkenthien.

After our first year of training, we went on for the second. Here we were joined by three more eager students, Darlene and Harlan Farness, who had attended Aberdeen High School, and Bob Ellis, of Omaha, Nebraska. The days passed swiftly and we soon found ourselves Juniors.

Now being Juniors, we were privileged to be called "Upper Classmen." During the year, Harlan Farness, one of our fellow classmates, found other interests to attract him.

Seniors at last. It is now we stopped to realize all the fun and hard work that is left behind us. At the beginning of our Senior year Larry Gebur transferred from Bradley. Under the able direction of Mr. Markve our class chose as president, Bob Ellis; vice president, Allen Warkenthien; secretary, Darlene Farness; treasurer, Larry Gebur.

The main events were the basketball season, carnival, Junior-Senior Banquet, and Senior Skip Day.

The school history of the class closed with the presentation of diplomas on May 16, but the life history of the men and women who were the class of 1952 will at that time have its beginning.
